25X1 5. [] Met with Mr. Richard Sewell, Administrative Assistant to Representative Charles Bennett (D., Fla.), in response to his request for an Agency speaker to meet with the Burro Club, an organization of Democratic Administrative Assistants. I advised Mr. Sewell that as had been indicated in our original conversation, the Agency does not maintain a public relations program, and in consequence we did not have a speaker available to meet with the Club. Mr. Sewell thanked me for having relayed his inquiry and advised that he would so notify his Club. He noted in passing, that the Club in all probability would be interested in renewing their request after the first of the year in the hope that something might be worked out at that time.
